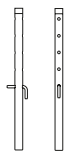
			black RAL 9005	
			white RAL 9010	
			silver RAL 9006	
			red-brown similar to RAL 8012	
			basalt grey RAL 7012	
			colourless	
1100	660	660	x	x
1100	660	780	x	x

When ordering, please state desired type of crossbars: central (for sitting up straight) or offset (for sitting at an angle with outstretched legs).

height adjustment rods, 35 mm hole grid
1 set

colour	x
chrome	x
bronze	x



rubber caps
1 set

x

For a table height of 720mm (Euronorm) you will need height adjustment rods. For uneven floors you will need a leveling set. We strongly recommend using rubber caps between frame and tabletop to prevent the tabletop from sliding.

For tabletops longer than 2400 mm, we offer a 1500 mm table frame with offset crossbars in white and grey for 260 euros and in chrome for 320 euros. With this frame you can only use our wood core chipboard or solid wood tabletops.

Frames (but not the tabletops) can be shipped by standard parcel service.

2400 x 900		x		x	x

Please note:
You may find small splits at the edges of the underside of our melamine tops. This may also apply to the melamine underside of linoleum tops. The tops can only be used on one side.
Our solid oak tops are smoked. All natural 'blemishes' such as knotholes are filled with black resin. With the 1500 table frame and the Book Table you can only use our wood core chipboard and solid wood tops.
